

TARVISIANO, INSIEME PER UN FUTURO SOSTENIBILE TARVISIANO, TOGETHER FOR A SUSTAINABLE FUTURE

? CONOSCI LE 3R? ✓RIDUCI ✓RIUSA ✓RICICLA

Riduci il consumo di plastica convenzionale, evita i prodotti usa e getta. Usa prodotti più durevoli.

Riutilizzo vero e proprio dei prodotti per lo stesso o diverso utilizzo, soprattutto per la plastica. Riutilizza i sacchetti della spesa, riusa i vari contenitori e dispenser.

Recicla la plastica e tutti gli altri rifiuti, è essenziale per ridurre l'inquinamento. Utilizza i contenitori della raccolta differenziata presenti nella maniera corretta, leggendo sempre le indicazioni.

? DO YOU KNOW THE 3R'S? ✓REDUCE ✓REUSE ✓RECYCLE

Reduce conventional plastic consumption, avoid disposable products. Use more durable products.

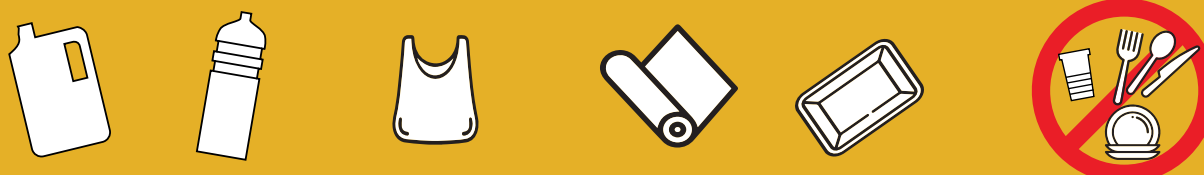

Reuse of products for the same or a different use, especially plastic. Reuse shopping bags, reuse various containers and dispensers.

Recycle plastic and all the other waste, it is essential to reduce pollution. Use the recycling containers present in the correct way, always reading the directions.

RICORDA DI:

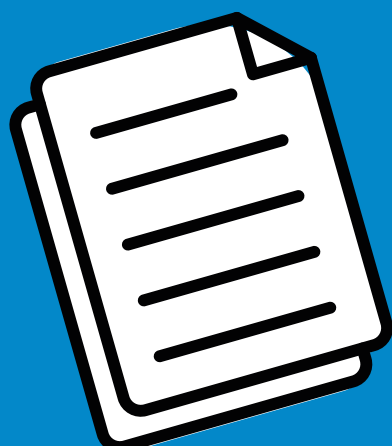

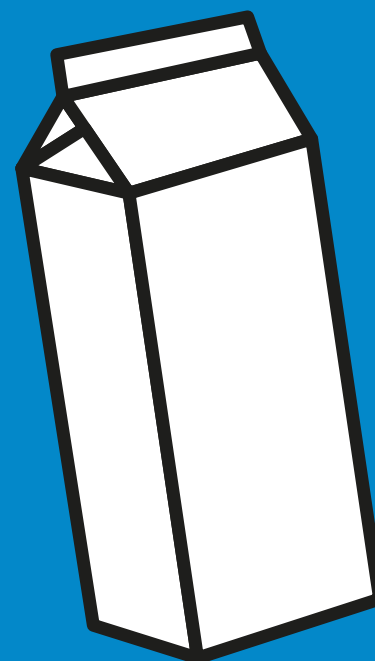

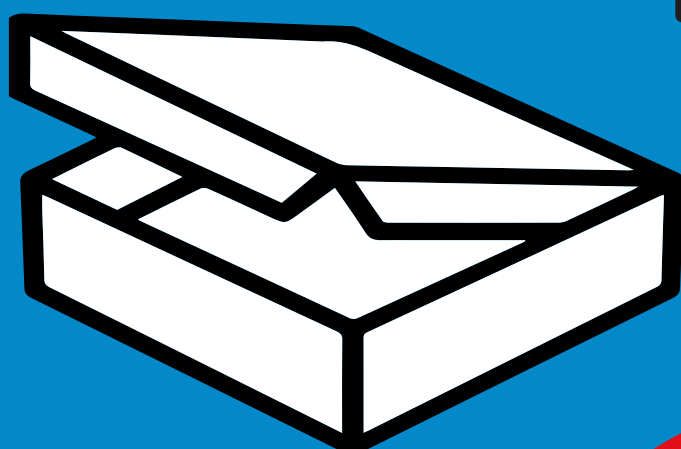

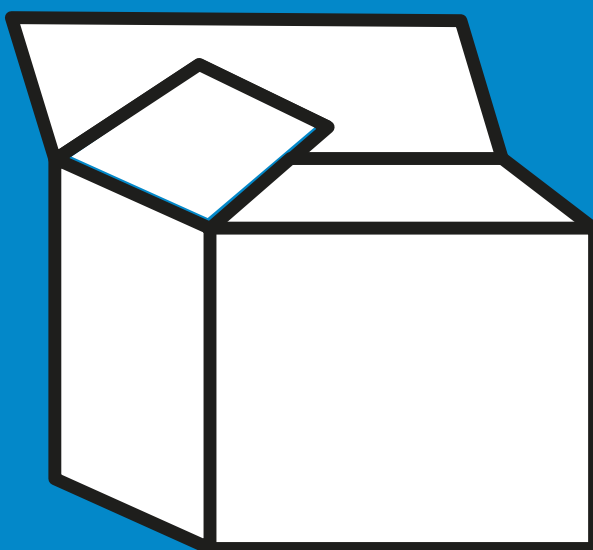

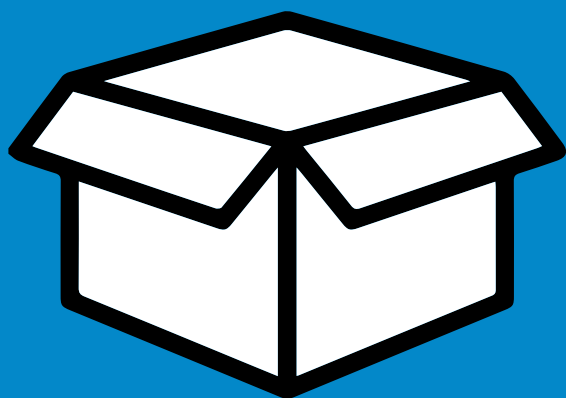

- Ridurre il volume dei materiali da riciclare
- Quando hai un dubbio verifica l'etichetta del prodotto
- Raccogli gli olii esausti in appositi contenitori
- Non usare sacchi di plastica per la raccolta di carta e umido
- Non lasciare residui alimentari (anche liquidi) negli imballaggi

REMEMBER TO:

- Reduce the volume of materials to be recycled
- When in doubt, check the product label.
- Collect waste oil in appropriate containers.
- Do not use plastic bags for paper and wet waste collection.
- Do not leave food residues (even liquids) in packaging.
